I agree with many of the views of Councillor Luke Hurst regarding Marton Manor being part of Marton and not "Ladgate Ward.I would also like to add the following: I do believe the area of Marton Manor should be part of Marton West, with three councillors representing the ward, and not Marton East as Stokesley Road is the obvious, natural dividing line between what is the historically correct East and West Marton divide. Having lived here for nearly fifty years I do now feel rather under- represented in the Ladgate Ward even though my councillors do try their best to help when needed. I am sure Marton Manor was originally in Marton West Ward. By returning Marton Manor to Marton West the councillors elected would then be in a position to represent us fairly and in accordance with the needs of our particular demography.
