

North West Leicestershire

Personal Details:

Name: Mr Michael Ball

Email: [REDACTED]

Postcode: [REDACTED]

Organisation Name: NWLDC (District or county councillor)

Comment text:

Related subject: Donisthorpe , Oakthorpe and Acresford ward

Please refer to the NWLDC submission where my views have been recorded in full . In summary I believe the BC proposal makes much more sense than previous proposals , however I would ask that serious reconsideration be given to moving Acresford out of its current ward (as it creates an unwelcome misalignment between District and Parish boundaries) , and to the status of a number of properties which form part of Donisthorpe village but which are currently considered to be part of Ashby Woulds ward.
