Quite frankly we do not want to be part of NW Leics at all or Leicestershire. We live on the Leics/Derbyshire border and our lives are firmly rooted in Derbyshire. Okay you empty the bins and send a road sweeper very occasionaly but Derbyshire look after the road and provide the libraries and other services that we actually use. So whatever the changes are they will not really affect us. We never hear from a local councillor - it is as though we are not part of NW Leics.
