**Related subject:** Whitwick & Swannington boundary

Stop wasting our money! This is a vanity project that will cost a lot of money. No doubt being done for friends in the building trade, who will benefit from building houses in "Swannington", more than "Whitwick".

We're fed up of you using our money to fund these projects. Just leave the boundaries alone. After the vanity projects in the town centre, I think the council are going to be on the receiving end of some very peev'd residents. Not to mention a few interested investigative journalists.
