Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Freshney ward

I live on wybers and have gor nany years 24+ I do not wish to merge districts as west marsh have completely different views and problems compared to the freshness ward we need councillors who help us with our needs and our area. Havestoe ward and croft Baker ward have similar views and need similar councillors to help them I feel they would be better merged
