I do not agree with the proposed breaking up of Freshney ward, Grimsby, the areas of the ward are quite similar, and are very well looked after by our 3 Ward Councillors. I think that breaking up of the ward, with the areas of Willows and Wybers Wood becoming part of West Mash and Yarborough respectively, would be detrimental to Willows and Wybers Wood. As things stand the three Areas are close and joined, but Wybers Wood has an open area gap from Yarborough, and Willows has a railway line between it and West Marsh. Willows and West Marsh are different and do not have a lot in common, as are Wybers Wood and Yarborough Ward.
