FER in East Riding of Yorkshire unitary: warding arrangements

Ref A: FER in ERY: stage 1 council's proforma FINAL SIZE forecast

Ref B: [\[ARCHIVED CONTENT\]](#) (nationalarchives.gov.uk)

The future council size in East Riding (ERY) must respect district's particular parish (CP) character. The Commissioners are mindful to allow a size of 67-members in the future: to allow continuity if size.

the extant Wolds Weighton ward is 5%				

INSERT: Sledmere/Cottam/Fimber CPs above - 'GPC' – Bainton CP, Garton CP, Tibthorpe CP and Kirkburn CP from extant Driffield & Rural ward;

OMIT: Allerthorpe CP, Cottingwith CP, Melbourne CP, and Thorton CP into a NEW Stamford Bridge ward;

OMIT: single Seaton Ross CP into revised Howden ward

RETAIN: Bielby CP, Everingham CP, and, Sancton/South Cliffe CPs – 'GPC' – in to a revised West Wolds & Weighton ward.

- Electoral Equality is acceptable, with a -4% average variance.

Tom RUTHERFORD
reviews@lgbcE.org.uk

Goole & Pocklington CC

Pocklington Town [CP / ward] 9044 4522 2 8% (7⁷⁶⁵%)
the extant Pocklington... ward is 28%

- Electoral Equality is good, improved with an 8% average variance.

INSERT: n/a

OMIT: 6-CP - Barmby Moor, Catton, Newton on Derwent, Stamford Bridge, Sutton upon Derwent, and Wilberfoss - into a NEW Stamford Bridge ward.

Stamford Bridge 1066 [NEW] 8723 4361 2 4% (3⁹⁴⁰%)
the extant Pocklington... ward is 28%

- The site of penultimate battle Harold, Earl Godwinson – last Saxon king of England –
- Electoral Equality is good, with better 4% average variance.

INSERT: 6-CP - Barmby Moor, Catton, Newton on Derwent, Stamford Bridge, Sutton upon Derwent, and Wilberfoss - from extant Pocklington Provincial ward, and,

ADD: 4-CP – Allerthorpe, Cottingwith, Melbourne, and Thorton - from extant Wolds [Market] Weighton ward.

Howden [& Seaton Ross] 8364 4182 2 0% (-0³⁴%)
the extant Howden ward is 45%

INSERT: Seaton Ross CP from extant Wolds Weighton ward, and
4-CP – , Bubwith, Ellerton, Foggathorpe, and Wressle – from Howdenshire;

Howdenshire 8716 4358 2 4% (3⁸⁵⁶%)
the extant Howdenshire ward is -2%

INSERT: ;

OMIT 4-CP – , Bubwith, Ellerton, Foggathorpe, and Wressle – from Howdenshire; -

Tom RUTHERFORD
reviews@lgbcE.org.uk

Goole North [unchanged] 8122 4061 2 -3% (%)
Un-changed ward allowing neighbourhoods' character to be respected.

Goole South [unchanged] 7693 3847 2 -8% (%)
➤ Un-changed ward allowing neighbourhoods' character to be respected.

Snaith & the Marshland [unchanged] 8152 4076 2 -3% (%)
➤ Un-changed ward allowing neighbourhoods' character to be respected.

Extant name – Snaith, Airmyn, & Rawcliffe & Marshland - too long: we suggest a name that respects the estuarine geography, **Snaith & the Marshland** ward.

Dale 8865 4433 2 6% (5⁶³²%)
the extant Dale ward is 18%

INSERT: single CP - Wilton CP ward - from extant "*South Hunsley*" ward, and 3-CPs – Broomfleet, Hotham, and North Cave – from Howdenshire ward;
OMIT: a single CP - Skidby - into (*South Hunsley*) Swanland ward.
➤ Electoral Equality improved with an 6% variance.

Elloughton-cum-Brough [NEW] 9109 4554 2 9% (8⁵⁴⁰%)
the extant Dale ward is 18%

INSERT: single CP - Elloughton-cum-Brough – extant from Dale ward.

Swanland [*south Hunsley*] 8266 4133 2 -2%(-1⁵¹⁵%)
the extant S. Hunsley ward is 14%

INSERT: single CP - Skidby – extant from Dale ward.
OMIT: Wilton CP ward into renamed/revised '*South Hunsley*' ward.
➤ Electoral Equality improved with an -2% variance.

Extant name – '*South Hunsley*' – is consumed by HULL's suburban expansion: may we suggest choose SWANLAND from the middle of revised ward.
