

# East Riding of Yorkshire

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

The boundaries don't need to be changed. Need to stop removing historic areas. East Riding council members and staff need to change (performance managed) their inept decision making and drive to make small towns and villages into housing estates demonstrated lack of understanding both environmental and community impact . The failure to understand H&S, and proposed legislation v statute is quite laughable. The thought of them managing boundary changes very scary
