As a resident of Howdendyke { less than a mile out of Howden } my husband and I were bitterly frustrated to find that we are in the ward of Howdenshire and therefore were unable to vote for our selected candidate ie David Howard Howden Independant. Howden born and bred , it is the place we use daily for shopping, leisure and other local businesses and therefore expect to have our views included. Prior to the last local election we received only one leaflet through the door informing us of the candidates which turned out to be the one we couldn't vote for - David Howard. He must have thought we were eligible aswell! As no-one in the Howdenshire ward could be bothered to leaflet us and inform us of their manifesto we ended up not voting at all.
