The current Hunmanby and Sherburn Division runs along the A64 through the A1039 to the A165 which is an important strategic link for those accessing Scarborough or York.

Hunmanby is the northern gateway to the Wolds which is currently in the process of being designated as an Area of Outstanding Natural Beauty. All of the villages in Hunmanby and Sherburn will be in the setting of the AONB.

Hunmanby is a large service village and should have a separate identity from Filey. It is a significant hub in its own right and plays a vital role in service delivery for the wider area.

Sherburn has strong links with Hunmanby through historic connections with the Wards (now Kingspan) manufacturing site.

There is an additional link in the area through the Church of England, Hertford Benefice which links Hunmanby, Folkton, Flixton, Muston, Staxton, Willerby and Ganton.

I would suggest that East Heslerton and West Heslerton which come under Heslerton Parish Council are combined into one Division. I have no preference as to which Division this should be.
