The Mainstream schools in North Yorkshire are not meeting SEN children's needs. No SEN schools for girls. Brackenbrough shouldnt be allowed to be all boys. Northallerton College has been sat empty years. Richmond Grammar too. Surely they should of been turned into SEN schools

Weeds are growing up kerbs in streets, the hedges are overgrown in Northallerton College because its been sat empty years.

Public transport in Northallerton is limited, bus services stop about 6pm.

In towns like Guisborough services are ongoing past 11pm. I know we have a trainline but it's too expensive compared to a bus.

Other prioritys before sorting out pot holes.
