Related subject: Sherburn in Elmet

The current Town Council area and division must remain including the whole of Sherburn in Elmet whatever the size of the electorate. We need to remain in a division that has a councillor representing all inhabitants of this small town who can then continue to have a say in the local facilities, supporting organisations and planning applications. It would be unfair for any residents to be put in a division other than the town as they would then not have any representation by a Sherburn in Elmet councillor.
