I am absolutely appalled that Solihull Councillors have agreed with the Boundary Commission of moving our boundary from Olton to Lyndon Ward. I have lived in this community for over 40 years .My children attended St Margaret`s School, went to St. Margaret's Church, patients of St Margaret's Medical Practice, ALL of which are in Olton!!!! We are proud of our community and for you to say that our area does NOT reflect the character of Olton is a disgrace!! Also, given council budget cutbacks, the cost of this paper exercise could be better used somewhere else. What a waste of money and time from our elected councillors. The wider impact for the future on our property/land value could be compromised too. There will always be a division at some point between the Birmingham/Olton boundary(Lincoln Road Bridge) because of being run by different councils so where will it end?
