Why are you changing things? You are effectively removing 'Kingshurst Hall Estate' from the political map. It's NOT broken, don't try fixing it! Kingshurst is unique in its very existence, mapping, an enclave. If you asked anyone living here they don't want OR NEED that changing! This all looks and feels like the politicians carving a way around an area that THEY can't rule over. I'd be more impressed if you wanted to get rid of the Parish Council and the cost to carrying them!
