Comment text:

I strongly object to the proposed change to move meriden to a ward called arden. In addition to our close physical connections with berkswellll and Balsall common (school, dentists, doctors, travel distance, local ethos and approaches) we also are connected through the people of our village who feel that our connections to these villages through friendship groups, shared village activity, sports, social clubs and more. This connection is strong and should remain intact.

I strongly object for these and many more reasons and I know that I am not alone as a meriden resident.
