**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Meriden

I do not agree with Meriden becoming part of a new Arden ward. What a ridiculous idea. It seems like people not from the area are trying to force this proposal on residents without giving it due care and attention. Anyone from the area who should really be making the decision will highlight the close relationship we already have with balsall and berkswell.
